

## ABOUT

Hosted by the Cannabis Council of Canada, the Canadian Cannabis Leadership Summit is an exclusive panel-style conference where the most influential voices from public and private sectors will come together to discuss and debate the most pressing issues facing the Canadian cannabis industry. Following the discussions, ticket holders will have the opportunity to engage with panelists during a private reception. This is a unique chance to network, share insights, and further the conversation on critical challenges to continue driving the industry forward.

## EVENT DETAILS
